

Beware of Fake Police Officers

Tourists are often approached by confidence tricksters in the street. Many of them, pretending to be police officers, search tourists for counterfeit money or drugs, while stealing their cash and credit cards unnoticed.

So please carry only the cash you need! Always ask the uniformed or plain-clothed police officers to show their police ID cards. If in doubt, please call 110!!

Your Berlin police

CID (Criminal Investigation Department)

Uniformed Police

In an emergency always call 110!!!
